## About Us

Johnjac Cricket Supplies Ltd manufacture and supply a complete range of cricket ground equipment. We supply to all levels of cricket from Test level to County level, clubs, schools and the private home market in the UK and overseas.

All Johnjac equipment is made in our own factory in East Anglia. We specialise in providing substantial but easy to manoeuvre equipment and bespoke items, to customer requirements.

Our expertise has been built on the extensive experience of directors John Loveday who has over 30 years experience in metal fabrications, Jack Birkenshaw international and first class coach and Devon Malcolm ex England cricketer who have a combination of over 60 years experience in first class and international cricket.
